

LEEDS FESTIVAL 2009 - CAMPERVAN & CARAVAN CONDITIONS

There will be a charge for bringing your campervan to the festival. Campervan passes will be limited. The exact directions will be on the back of the campervan/caravan pass that will be sent out to you nearer the event and on the road signs.

Please note that we have revised the terms and conditions for access into the campervans field.

Campervans, caravan and towing vehicle and trailer tent and towing vehicle will be classed as a UNIT

- Separate fields for ticket holders to park their unit are available in a designated area of the site which is the only place where ticket holders can sleep in vehicles – these vehicles will only be allowed in the fields if they have living accommodation with fitted sleeping facilities and either fitted cooking or washing facilities.
- No other vehicles will be allowed entry under any circumstances, not even late replacement vehicles in the case of a breakdown. Vehicles can not be towed on to the field with the exception of caravans or trailer tents. In the case of a breakdown, campervans will not be permitted to be towed into the field. Unsuitable vehicles, including unconverted vans, with tickets for the camper van fields, will not be allowed entry and will be sent to one of the festival car parks – and, as it is contrary to our licence, security patrols will not permit sleeping in any vehicles in these car parks.
- Campervan Permits are only valid with WEEKEND CAMPING TICKETS. Each person with the vehicle must have a Weekend ticket and ONLY weekend ticket holders will be permitted in the campervan area. Tickets and permits must be bought in advance.
- Cars can not be parked next to campervans; all vehicles other than towing vehicles must be parked in the car parks.
- Towing vehicles must remain in the same field as caravans, not parked elsewhere.
